## **IN MEMORIAM**

**Frank (Jim) L. Dearden**

**Came to live in Croydon Flat in 1952, with wife, Madeleine, at age 25, after having served in the Navy. He worked in Corbin Park for over 20 years; logging, guiding, and earthwork. Served as town road agent for a year.**

**An avid outdoorsman, in work and hunting, probably not one property in town he's not set foot, moved earth, or tracked wildlife.**

**A local character that stories will be remembered and shared for years to come.**

# CROYDON COMMUNITY DAY 2006

Those that organize...

and prepare...

you must register to win a prize...

a deserving award...

you must line up to eat...

and hang on to compete...

branded goods for future events...

young and old that it in...

the Flat needs to recruit...

celebrities take part, all for fun...

not a clue to, how come?...

you had your fun!

Health Agencies	4,800
General Assistance	3,500
Abatements	<u>1,000</u>
<b>Total</b>	<b>\$355,371</b>

- Article 3. To see if the Town will raise and appropriate the sum of Thirty Four Thousand Four Hundred and Fifty Nine Dollars (\$34,459) for the Croydon Police Department.  
(Recommended by the Selectmen)
- Article 4. To see if the Town will raise and appropriate the sum of Ten Thousand Dollars (\$10,000) for the Capital Reserve Fund for Highway Department Equipment.  
(Recommended by the Selectmen)
- Article 5. To see if the Town will raise and appropriate the sum of Thirty Three Thousand Dollars (\$33,000), to pave Cash Street. The funds to support this article to come from the Highway Block Grant money.  
(Recommended by the Selectmen)
- Article 6. To see if the Town will raise and appropriate the sum of Twelve Thousand Dollars (\$12,000) for general cemetery maintenance for the 2007 season. The funds to support this article are to be removed from interest earned in the Henry J. Sawyer Memorial Fund.  
(Recommended by the Selectmen)
- Article 7. To see if the Town will raise and appropriate the sum of Ten Thousand Dollars (\$10,000) for the Capital Reserve Fund for Town Revaluation.

(Recommended by the Selectmen)
- Article 10. To see if the Town will raise and appropriate the sum of Twenty Two Thousand Seven Hundred Dollars (\$22,700) for the yearly payment on the note on the property purchased by the town in 2006. The funds to support this article are to be removed from interest earned in the Henry J. Sawyer Memorial Fund.  
(Recommended by the Selectmen)
- Article 11. To see if the Town will raise and appropriate the sum of One Thousand One Hundred Dollars (\$1,100) to establish a reverse 911 telephone service. The service is to be available for emergency notification of town residents by the Emergency Management director, the Chief of Police, the Health Officer and other such agencies as the Select Board shall deem appropriate.  
(Recommended by the Selectmen)

Article 12. To see if the Town will go on record in support of effective actions by the President and the congress to address the issue of climate change which is increasingly harmful to the environment and economy of New Hampshire and to the future well being of the people of Croydon.

These actions include:

1. Establishment of a national program requiring reductions of U.S. greenhouse gas emissions while protecting the U.S. economy.
2. Creation of a major national research initiative to foster rapid development of sustainable energy technologies thereby stimulating new jobs and investment.

Article 13. Shall the Town of Croydon vote to dissolve the Sullivan County Regional Refuse Disposal District?

Article 14. In the event that the dissolution of the District is not approved by the affirmative vote of two-thirds of the members of the District, shall the Town of Croydon vote to withdraw from the Sullivan County Regional Refuse Disposal District?

Article 15. To transact any other business that may legally come before this meeting.

Given under our hands and seals at said Croydon the 26<sup>th</sup> day of February 2007

# TRUSTEES OF TRUST FUNDS AND CEMETERIES

## 2006 Annual Trustee's Report

Several improvements and/or disappointments have occurred throughout the year as concerns Trust Funds and Cemeteries as follows:

### 1. Improvements:

A. Trust funds have now been switched from Sugar River Saving Bank to A. G. Edwards and Vanguard to seek better and more secure returns on Trust Funds.

#### B. Cemeteries:

1. Richard "Dick" Gross has done a excellent job on maintaining Croydon's Cemeteries throughout the year.

2. Several headstones and/or corner stones have been repaired and/or uncovered as well as brush cutting, mowing, trimming, capping and repair of stones as follows:

a. Asa Davis: One (1) broken stone repaired.

b. Brighton: No change from last year.

c. Croydon Flat: Corner stones uncovered in several plots and several corner stones have been re-positioned. Signs have now been added (inside cemetery) to inform visitors to "Park Between Signs - Back In - Nose Out."

d. East Village: Two (2) previously unmarked graves now have headstones. Several head and corner stones have been uncovered or re-positioned. New foundations have been poured and stone re-positioned. The east wall (next to Cash Street) has been capped with cement.

e. Four Corners: All stones have been cleaned by Michael Stringer - Claremont Memorials (Looks Great). Foundations poured for several headstones and several headstones straightened.

f. Pinnacle: Several headstones straightened.

g. Putnam: No change.

h. Under the Mountain: Last year (2006), Park Superintendent (Corbin Park) did not follow through on his indication that a new fence and gate would be installed. Action will be taken in near future.

3. There were eight (8) internment's in Croydon's cemeteries in 2006.

Four (4) - Croydon Flat

Four (4) - East Village

4. There were fifteen (15) cemetery plots sold in 2006 and one (1) transfer as indicated:

Croydon Flat - Eight (8) plots sold - (six full and 2 cremations).

East Village - One (1) Transfer of plot and six (6) full plots sold.

Putnam - One (1) plot sold.

### 2. Disappointments:

1. While one thousand dollars (\$1,000.00) was approved last year to survey Under The Mountain Cemetery, the surveyor could not do the survey due to other commitments.

### Comments:

**TRUSTEES OF TRUST FUNDS AND CEMETERIES**  
**2006 Annual Trustee's Report**

The following warrant articles (cemetery) for year ending December 31, 2006 was as follows:

Article 12 (Cap off wall (front) at the East Village Cemetery) raised and appropriated \$1,00.00 - \$600.00 spent - Under budget by \$400.00.

Article 13 (Clean headstones at Four Corners Cemetery) raised and appropriated \$2200.00 - \$2192.00 spent - Under budget by \$8.00 (Phew!!)

Article 14 (Cut/trim trees at Four Corners Cemetery) raised and appropriated \$5,000.00 - \$4060.00 spent - Under budget by \$940.00.

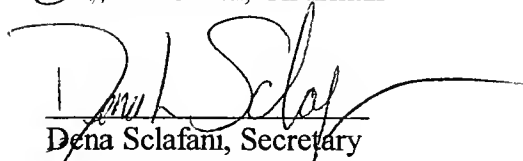

Article 15 (To have Under The Mountain Cemetery surveyed and file a mylar with the Sullivan County Registry of Deeds) raised and appropriated \$1,000.00 - \$0.00 spent - Surveyor had other commitments.

Article 16 (Wages for cemetery mowing and trimming for the 2006 season) - Raised and appropriated 7,000.00) - \$7,000.00 spent - Right on budget.

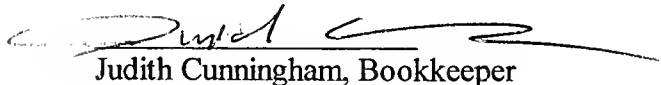

Sincerely,

Al Bert" Smith, Chairman

Dena Sclafani, Secretary

Judith Cunningham, Bookkeeper

CROYDON POLICE DEPARTMENT  
REPORT FOR THE YEAR ENDING DECEMBER 31, 2006

The year 2006 was busy, again, this year being unique for Croydon. My hours were increased and my availability for the Town of Croydon was increased significantly, with State Police having to be on call for very few hours during the months of May to December. Some of the State Troopers that I encounter tell me that they have not responded to one call in Croydon during that time.

There was an increase in calls from last year, with the year 2005 being 691, this year, 2006 being 833.

I had applied for and was granted a Highway Safety grant from the New Hampshire Highway Safety Agency, which pays for me to be on the road for 20, three hour blocks of time, running radar on Route 10, from May 1st to the end of August. This grant was successful.

The program that I started this year in the Croydon Village School, Lunch with the Chief, has been working very well and is being received with great enthusiasm by the students. We, the students and I have had the opportunity to discuss many things during these lunch time sessions. Also, now that I have my time free from Newport Police obligations, I have been teaching classes to the children after these lunch events, with the classes running from ½ to 1 hour. Both of these events occur on a monthly basis.

The cruiser is still in excellent condition and should last several more years.

This year the court problem has been addressed in several different ways, trying to relieve the congestion, with some success. I do not have to be in court as long or as often. Speaking of court, I lost one case, and have ruined my perfect record. It had to happen sooner or later. I will try to do better next year.

Most of you have probably noticed that there is a Croydon Police log in the Argus Champion on a monthly basis. I feel that this is also going well, as it lets you, the citizens know what is going on in town. Thanks Gail for your patience.

The gun locks are all gone. I went through several hundred of them. Should I receive any more, they will be located again in the Town Clerk's Office.

I want to take this opportunity to thank you all again for allowing me to serve you in this capacity. It has been enjoyable.

Respectfully submitted,  
Richard G. Lee  
Chief of Police

# Road Agent Report

In my 20 years as Road Agent for the Town of Croydon, I have seen many changes, met a lot of new people, made some good friends and also lost a few that left for greener pastures. I have seen mild winters, harsh winters, good summers and bad. I have dealt with snow, ice, rain, wind and mud. I have seen the town grow with many new houses, streets and roads.

I have been lucky in that aspect, as most new streets and roads have been private and not maintained by the town. However, in it's shortcoming it is going to require more than 1 person to get the job done as many think should be the case now. I can't think of another town off hand, that is a 1-man operation. Just think this week I have done 7 new 911-address assignments with more coming. While we're on that subject there are still quite a few houses that need a visible number that can be seen from the street or road. If an ambulance crew is looking for your home and drive past your home because they didn't see the number whom do you blame? 911 is a great system and improves every year but when you make that call, they only know what your name and address is. That number by your driveway, on your house, mailbox or tree could make a difference as to whether they find you in time or not! Besides your safety, the town also has a street numbering ordinance that requires the display of the towns assigned street numbering a visible location with a penalty for non-compliance.

On the lighter side, how do you like the winter so far? Today is the 5<sup>th</sup> of January and the temp is 44 with little or no snow on the ground. The weather forecast for tomorrow is for the mid 50s not bad for January. Not looking for any major projects this year as the tax base is going to increase because of the school.

The paved aprons worked like a charm this year. We are looking to increase the amount of gravel on most of the dirt roads this year. We will pave to the top of the hill on Cash Street and experiment with liquid calcium chloride on the dirt part of Cash Street. We may want to replace the loader-backhoe next year.

Ever wonder why: You never see the headline "Psychic wins Lottery"  
105 Years Ago: The average wage in the U.S. was 22 cents an hour.

Till Next Year

# CROYDON HEALTH OFFICER

## 2006

This year the complaints were few, but more serious than in the past. I spent quite a bit of time this year as Health Officer. More than I would have preferred to. The vast majority of time was spent on Health Hazards Emergency Preparedness. Currently the town has a completed plan (as much as any plan is ever *completed*) for the avian flu and similar health emergencies, appropriate supplies on hand to deal with such a situation, a list of residents who have volunteered to work at an avian influenza vaccination clinic, and physicians and nurses to help with a clinic. I am still working with the Sullivan County planners to see that we are included in their plans and to get such state funds as are available. We are probably going to get about \$6,000 for an all-hazards plan.

The state has recently informed me that all portable toilets require my approval before placement. I am unsure what would make me refuse to approve any of the professionally placed and maintained porta-potties, so just give me a call to let me know where it is and I will bless it.

I am always happy to have you seek me out for any problems or to give me input. Please feel free to call me at home: **763-4359** or email me at **CroydonHealth@hotmail.com**. I also have a website with health information and what I can do for you at <http://www.CroydonHealth.com>.

# REPORT OF FOREST FIRE WARDEN AND STATE FOREST RANGERS

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdfi.org](http://www.nhdfi.org).

Fire activity was very high during the first several weeks of the 2006 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in many sections of the state. The largest forest fire during this period occurred in late April and burned 98 acres. The extremely dry conditions in spring resulted in over twice the amount of acreage burned than in all of 2005. Our statewide system of fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 6 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

Annual Report Letter 2006

The first thing to do in this years letter, is to express a great big thanks to all the town folk that voted approval on acquisition of the Samuel Morse home and property surrounding the town hall. We signed a lease with the town to steward the building and adjoining yard, and thus we now have an actual home for the historical society. We have been able to do a few things inside, including painting some rooms and set up an office, and the yard work is obvious, with a rebuilt fence to appear in the future. We plan on exterior painting this year and having handrails set at the door.

The 'Croydon Cane' was awarded to the oldest living Croydon resident, Dorothy E. Ballou, age 91, an active member of the historical society as well. We enjoy and appreciate her monthly appearance at meetings and her homemade goods she often contributes to our functions.

In September, we participated in the fourth Croydon Community Day at Camp Coniston. It was again a nice day, complete with prizes, food and fireworks! The committee selected our very own Rita Gross as Croydon's Outstanding Citizen. Long been designated as Croydon's historian, a task she resumed from her beloved father-in-law, Dana Gross, and thoroughly continued with husband, Bud. A well deserved award.

Many events were well attended throughout the year, and we especially thank all that contributed to fund-raising that included the yard sale, ham and bean dinner, Appraisal Day, and raffles. We'll be opening the Morse home again come warmer weather, so if you haven't taken the time to stop in, we'll be setting up displays this year as well to see. We welcome everyone that would like to join us in any way.

Always seeking any historic information, photos, and artifacts pertinent to Croydon, that we may copy, photograph or acquire. Family genealogy is now being sought on current and past residents to update and include in the data already started by our genealogist Al(bert) Smith, himself the 2005 Outstanding Citizen honoree.

Since our last letter in the annual report in 2004, we want to remember and recognize the passing of our first cane recipient, Naphtali Lewis, and members, Edna Nelson, Ella Reney, and Alice Hickey. These women contributed to the society in different ways, but their support was unquestioning. We miss them greatly, may they all rest in peace.

It's a new year with new goals to set, please join us, meetings are on the 2nd Saturday of the month.

Board of Selectmen  
Town of Croydon  
879 NH Rte. 10  
Croydon, NH 03773

Dear Board of Selectmen,

As you begin your budget review process for the 2007 budget, I would like to give you a short update on the activities of Lake Sunapee Region VNA during the past year. A report with specific detail about services provided in the town of Croydon will be sent to you during January 2007.

Our staff and volunteers, numbering over 200 traveled more than 400,000 miles providing care to people in our community including over 26,000 home care visits and 5300 hospice visits for adults and children; over 53,000 hours of supportive care. In addition we provided Lifeline services for 375 customers and home telehealthcare for 285 clients. Hundreds more took advantage of our community programs. Care is provided seven days a week, twenty-four hours a day.

Support from towns and individuals are key to ensuring that we are able to carry out our mission. As a member town of Lake Sunapee Region VNA, your town funding is used to support the care that is provided to patients that may not be reimbursed fully or at all. This includes those who are Medicare recipients, Medicaid beneficiaries and those with inadequate private insurance or no insurance at all. Many times these days, families may have some insurance but have taken on large deductibles in order to afford premiums. When a major illness or injury strikes, the family may very quickly face huge medical bills. Town funding helps your friends and neighbors during times like these.

According to the New Hampshire State Office of Energy and Planning, the town of Croydon population estimate is 750. Lake Sunapee Region VNA is requesting town support at \$2.63 per capita (no change from last year). The total appropriation request for 2007 is \$1972.00.

All of us at Lake Sunapee Region VNA appreciate the many years of support we've received from the town of Croydon and look forward to continuing to provide home health, hospice and community services to its residents.

Sincerely,

Andrea Steel  
President and CEO

Mr. James Harding, Chair  
Board of Selectmen  
Town of Croydon  
HCR 63 Box 9  
Newport NH 03773

Dear Mr. Harding,

On behalf of Southwestern Community Services, Inc., I would like to discuss the possibility of having an item placed on your town warrant. We are asking communities with which we work to consider a small appropriation to assist in our outreach efforts. We find that this has become necessary if we are to continue to deliver the high quality services that we have provided our communities over the past thirty-eight years.

I have enclosed for your reference an updated list of the services that we provided to the residents of Croydon over the past year, along with the value of those services. Through this letter we ask that Southwestern Community Services, Inc. be placed either on your town warrant or in the local human service budget in the amount of \$500. This amount will allow us to maintain the outreach and service delivery in Croydon at the same level as in the past.

In closing, I would like to offer to meet with the Board of Selectmen, the Budget Committee, or any group you suggest in an effort to further detail the significance of our request. I look forward to hearing from you in the near future.

I can be reached at (603) 352-7512 ext. 4123, should you have any questions.

Sincerely,

Town of Croydon  
Croydon, NH

Dear Select Board Members,

Each November we write to the communities we serve and ask for your support. Through the generosity of your town we are able to continue to provide Meals-on-Wheels to members of your community. While many are able to make a nominal donation there are those that cannot. This is where community support plays a significant role.

Due to the decrease in the number of meals delivered in your town, we will be decreasing the amount requested from last year. We are asking your town to make a financial commitment of \$300. I am hopeful that our commitment and support to your citizens will justify our request.

Should you have any questions please do not hesitate to let us know.

Respectfully,

Brenda Burns

Town of Croydon  
Office of the Board of Selectmen  
Route 10  
Croydon, NH 03773

To the Board of Selectmen,

On behalf of the Family Services Department of the Community Alliance of Human Services and the residents and families of Croydon and Sullivan County Towns, I ask for the Town of Croydon's financial support for programs that teach youth, hold them accountable for their actions, and challenge and inspire them to make better choices in their lives. These programs are available to residents and families of Croydon at little to no cost and include:

<u>Program</u>	<u>Number of Croydon Families Served (to date)</u>
----------------	--

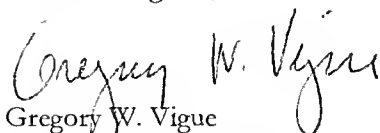

- |   |   |
|---|---|
| ➤ The Sullivan County Youth & Adult Diversion Program       |   |
| ➤ The Sullivan County Community Service Program             |   |
| ➤ Y.E.S. (Youth Educational Shoplifting Program)            |   |
| ➤ S.T.A.R.D. (Students Talking About Responsible Decisions) |   |
| ➤ A.D.A.C. (Adolescents Dealing with Anger & Conflict)      |   |
| ➤ T.A.A.P. (Teen Alcohol Awareness Program)                 | 3 |
| ➤ Tobacco Options   | 1 |

During calendar year 2006 *to date*, 214 Sullivan County youth and their families have been served in the Department's programs. During calendar year 2005 (through November 2005), 135 Sullivan County youth and their families have been served in the Department's programs.

The effectiveness of the Diversion Program is demonstrated by the fact that clients who have participated in the program are much less likely to re-offend or commit subsequent offenses. The recidivism (or re-offend) rates for 2002 graduates of the Diversion Program is an astounding 2%; that means 98% percent of the 2002 graduates of the Diversion Program have not re-offended. Preliminary data collected for recidivism rates for 2003 graduates of the Diversion Program is 13%; accordingly, 87% of the 2003 graduates have not re-offended. The recidivism rate for 2004 graduates is 1%.

The Family Services Department would like to respectfully request \$1,000.00 for fiscal year 2007. We thank the Town of Croydon for their continued support throughout the years.

With kind regards,

  
Gregory W. Vigue  
Family Services Coordinator

Selectmen, Town of Croydon  
RR 1 Box 317  
Newport NH 03773

Dear Selectmen:

We at Sullivan County Hospice are requesting \$250 from the Town of Croydon.

Sullivan County Hospice has been in existence since 1984. We are a volunteer agency, governed by a 12 member Board of Directors, all of whom reside in Sullivan County.

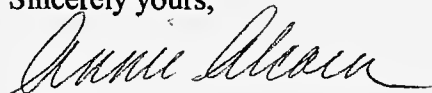

Our mission is to provide practical and emotional support to terminally ill patients and their families within Sullivan County. The majority of the individuals we serve are home hospice patients, who have decided to remain at home under the care of their families. It is in this setting that we provide most of our services. However, we have the flexibility to follow and serve our patients and their families in a hospital or nursing home setting, as well. Our volunteers are fully trained in areas such as death and dying, the grieving process, active listening and universal precautions. A few of the ways our volunteers provide practical support include respite for caregivers, running errands and light meal preparation. Our volunteers also provide emotional support to both the patient and their family, by being available to listen and offer reassurance and encouragement.

Our referrals come from doctors, nurses, visiting nurse associations, discharge planners, as well as from family members or patients themselves. Our only requirements for service are that the patient be terminally ill and that they reside in Sullivan County. We accept all referrals on that basis and there is never a charge for our service.

In addition to providing volunteer services, Sullivan County Hospice offers a bereavement support group. This group is scheduled for six sessions a year, each lasting a period of five weeks. These groups are open to anyone working through the grieving process.

We thank you in advance for your consideration. We hope that you will continue to support our work with your financial contribution, as we continue in our efforts to support the terminally ill and their families in Sullivan County.

Sincerely yours,

Annie Alcorn  
Director, Sullivan County Hospice

Article 19. To transact any other business that may legally come before this meeting.

Mitiz Hanke asked if snowmobile trail could be put back across Town property now that the Town was purchasing the Ritcher property. Selectboard to take it under consideration.

It was asked of the Fire Chief what was happening with the park across from the Croydon Vol. Fire Station as its unsightly. He replied to lack of monies the project hasn't been completed as yet.

Question was brought about what was happening in reference to the Croydon Vol. Fire Dept., Inc., that was brought up at last year's town meeting. David Hooley stated that the Selectboard had the Town attorney and the State Fire Marshall look into problem. The results were that it would cost the Town too much in legal fees to change anything.

Ask the Selectboard about raising the price of building permit fees. Selectboard are looking into the matter.

Meeting adjourn: 11:32am

**ANNUAL REPORT**  
**2006-2007**

of

**CROYDON SCHOOL DISTRICT**

**Budget Presentation for 2007-2008**

## CROYDON SCHOOL BOARD REPORT 2006-2007

**This year we have a wonderful new addition to our teaching staff.** Please welcome Amanda Simon as our new kindergarten teacher. She brings many years of great teaching experience and lots of positive energy with her to the Croydon students. The children enjoy her immensely.

**Long overdue repairs to the school house were made in 2006.** Physically the school is getting more of a facelift each year. This past summer the brick around the entire outside of the school was repointed. Most of the trim was repainted and repairs made to the woodwork. The school has been spruced up with badly needed new windows, and new vinyl flooring has been installed in the kitchen. To top things off, the hot water heater was also replaced. Things look brighter and its feeling warmer inside. Annual maintenance should help see the building through another 200 years!

**In the coming year, we will try to keep Croydon up to speed with current technology by connecting to high speed internet.** This may be possible with help from our Principal Jeff Spiegel who is researching internet packages and grants. The teachers will have access to mountains of information and will be able to incorporate materials into classroom activities and lessons available on the internet that is currently inaccessible on dial-up.

**Tuition increases this year are a concern.** A task force was initially set up to address our concerns about what we thought would be a tuition increase of \$238,000. While the actual increase will be lower (\$60,000), it is still considered significant, although not as much of a burden to the taxpayers as we initially thought. Our proposed budget for the 07-08 school-year includes tuition for a possible increase of five students over the course of the year. During this school year, we welcomed six additional children to grades kindergarten through grade three.

Another concern facing our district is that Sunapee may be withdrawing from SAU #43. If this happens, we will be facing budget changes. Sunapee will be voting on this issue on March 13, 2007. We will keep you updated on this issue.

**Our children continue to assimilate into the Newport Schools with ease.** The new math program, "Trail Blazers" is now being used in Croydon, as well as, Towle School. Our teachers seem pleased with it.

**The bus route, as always, has been a work in progress.** There have been route changes and increases. We have to consider the bus driver and each child as we do this. The route has become longer as the student population has changed. Our desire is to consolidate some of the bus stops to allow for less wear and tear on the bus and the driver. Our bus now travels over 100 miles a day on some rough roads, causing a shorter life span in years of our current bus which will have to be replaced this coming year.

**Please read our “Proposed Budget” and join us at our Town Meeting on March 17<sup>th</sup> at the Town Hall, 1:00 p.m.** Hear about our budget and future plans and join us in discussion about our schools. We look forward to seeing you there.

**Board Members:**

Linda Schultz, Chair

George Caccavaro

Carol Marsh

## **SUPERINTENDENT'S MESSAGE**

**February, 2007**

Dear Community Members,

**“2006” has been a year of educational challenges, commitment from our staff, communication to our parents/community, and a focus on facility improvements for our schools.** We look forward to sharing our messages, our accomplishments and our future plans with you at the Town Meeting on March 17<sup>th</sup> at 1:00 p.m. in the Town Hall. Please join us for this informative session which will detail our direction and our plans to make it happen. The meeting will provide you with specifics about our 2007-2008 budget. Join us and become an informed voter.

**One of the greatest achievements has been to hire and retain quality staff that understands the differences in students and help each child become a successful learner.** Our new kindergarten teacher has met that challenge and has fit right into our kindergarten program and Croydon teaching team.

**Curriculum development to align learning outcomes with state standards has been a priority.** We continue to place our focus on literacy and mathematics, while integrating these skills into all other subject areas in our curriculum. The staff development programs throughout the year have addressed matching learning outcomes with instructional strategies through a process called, “Understanding by Design”. Grants fund a great portion of staff development, however, you will see some monies are needed to continue the development of staff skills.

Throughout the year, I have emphasized **that our district stands firm in its belief that “All students can learn.”** They learn at different rates and in different ways, depending on their needs, interests, and developmental skills.

**Our regular education program attempts to modify instruction to meet student needs, yet some students require additional support and special attention.** Students who receive special educational services have true disabilities and are identified through a thorough evaluation process. The number of identified students is fluid. Besides district evaluations, there are court placements that contribute to the total number of students in special programs. When you look at the **Special Education Budget**, please remember it represents the services needed to support these identified students.

**School building needs continue to be examined.** Our goal is to insure our building facilitates the learning that needs to take place for all students. We have made progress at Croydon School and will continue to work at keeping the school in quality condition for our students.

Respectfully Submitted,  
William J. Mealey  
Superintendent

Croydon School District  
Croydon, New Hampshire

We have audited the accompanying financial statements of the governmental activities and each major fund of the Croydon School District as of and for the year ended June 30, 2005, which collectively comprise the Croydon School District's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express opinions on the financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the Croydon School District as of June 30, 2005, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

As described in Note 2, as of July 1, 2004, the School District has implemented a new financial reporting model, as required by the provisions of GASB Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*.

The Croydon School District has not presented a management's discussion and analysis that accounting principles generally accepted in the United States of America have determined is necessary to supplement, although not required to be part of, the basic financial statements.

The budgetary comparison information is not a required part of the basic financial statements, but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Croydon School District's basic financial statements. The individual fund schedules are presented for the purposes of additional analysis and are not a required part of the basic financial statements. They have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.
